

Contemporary Song Service with Elizabeth Montgomery

**Featuring the music of the
Song of Joy and the
Owd Dabar Praise Bands**

Elizabeth's latest album "You Can Move Mountains" contains original compositions that she has written or co-written.

"Mountains" moves from the R&B style to the majestic styles of "No More Night".

Elizabeth Montgomery's music edifies, encourages, and brings a sense of unity to the body of Christ through music and testimony.
